PRODUCT NAME: Eco Rig-Wash

PRODUCT SUMMARY: Provides superior cleaning on all water tolerant surfaces especially:

- Domestic Applications - Non-slip and heavily soiled floors, stainless steel process machinery, food preparation equipment, kitchens, and bathrooms, glass, Perspex, laminate flooring.

- Commercial Applications – Eco Rig-Wash is designed to clean, long haul rigs, oil rigs, carwash facilities, dairy trucks, new car dealers, Roughneck, equipment, bulkheads, containers, engine, floors, forecourts, Oil rigs etc. Eco Rig-Wash also can be used in steam cleaning machines.

PRODUCT DESCRIPTION

Eco Rig-Wash Solution is a new generation, multi-purpose cleaning product. It does not contain any ingredients considered harmful to the environment, and is fully biodegradable without causing harm to aquatic life. Eco Rig-Wash cleans at the nano level, releasing dirt and soiling that other cleaners simply cannot. Eco Rig-Wash is a powerful cleaner, but without any of the harmful effects to people or the environment.

PRODUCT OUTLINE

- Non flammable
- Non corrosive
- Non acidic
- Non toxic
- Non polluting
- Bio degradable

DIRECTIONS & DILUTIONS:

Eco Rig-Wash can be used diluted on any water tolerant surface to achieve a superior clean. Eco Rig-Wash can be used in machine cleaning, with microfiber cloths and mops or with standard cleaning equipment. A typical dilution guide is provided below:

HEAVY DUTY DE-GREASING

Dilute 1 Part Eco Rig-Wash to 5 parts water. It is recommended to use a foam applicator for this procedure to allow 5 minute contact time to dissolve the grease.

GENERAL DE-GREASING

Dilute 1 Part Eco Rig-Wash to 25 parts water.

GENERAL CLEANING

Dilute 1 Part Eco Rig-Wash to 50 parts water. (Bathrooms, Kitchens etc)

GLASS CLEANING

Dilute 1 Part Eco Rig-Wash to 150 parts water.

NOTE ON DILUTION:

Eco Rig-Wash can be used at any dilution 1:1 up to 1:200 depending on the particular application.

CAUTIONS FOR CONCENTRATE: Eye irritant, rinse with clean water. Avoid contact with food. Keep out of reach of children. Wear protective gloves when using hot water.
